SAPF Delegates Meetings and Annual General Meeting

Under the current constitution the Delegates Meetings, or “General Assemblies” are to be held twice yearly, in September and March. For a quorum there needs to be at least one third of affiliated clubs represented by delegates.

Each club may appoint up to two delegates to attend the meetings and vote on behalf of the club.

The Annual General Meeting, to elect Office Bearers and Management Committee members, is held in March, on the same date as the Delegates Meeting.
